

New energy storage truck side lights

Does the Ford F150 Lightning have home backup power?

"With Ford Intelligent Backup Power, enabled by the available 80-amp Ford Charge Station Pro and home integration system, the F-150 Lightning can serve as a reliable home backup energy source by dispatching power to the home during a power outage event," the company added.

Does the F150 Lightning have a bed liner?

Ford has given the F-150 Lightning the same style tailgate work zone that is found on the traditional F-150. It is available with a spray- or drop-in bed liner, or naked. Bed accessories, like storage racks by Yakama, that fit the gasoline- or diesel-powered F-150 will fit the Lightning too - no need to buy completely new equipment.

Are LoPro wireless solar-powered truck cab LED lights a good choice?
