Located off the western equatorial coast of Central Africa, the Democratic Republic of S#227;o Tom#233; and Pr#237;ncipe (STP) is the second smallest country in Africa after Seychelles. In recent years, STP has experienced high economic growth with a 5.2 percent increase in GDP in the past decade. However, this growth has not translated to significant ...

The two islands of Sao Tome and Principe hover just above the equator, 250km off the coast of Gabon. While other tropical paradises have been taken over by resorts, Sao Tome and Principe remain thankfully much as they were when the Portuguese first discovered them in 1470, save for the addition of the odd cocoa plantation and charmingly crumbling colonial town.
