

Waterproof energy storage tank protection bag

Are motorcycle tank bags waterproof?

Tank bag waterproofing generally comes in two flavors: Those made entirely from waterproof materials, and those with rain covers. In our experience both options will get the job done, but motorcycle tank bags with integrated waterproofing are certainly our preferred choice. "Can't have rainbows without a little rain."

What is a waterproof tank bag?

The waterproof tank bag models from our WP family stand out with their special shape-retaining material, which also completely prevents water from penetrating the bag. For lovers of classic bikes such as scramblers or cafe racers, our Legend Gear series offers two stylish tank bags in a retro look. Innovative selection for every tank.
